

BRINGING SMILES BACK

Hello Capri Families,

On behalf of the Capri Parent Teachers Association (PTA) and the Capri Encinitas Educational Foundation (EEF), we are thrilled to welcome you back to school!

No matter what is going on in our world and our community, we are more committed than ever to connect families and school so that our students can succeed both personally and academically. Both of our organizations agree that 'connect' is the operative word during this time and we intend to make it a top priority.

The PTA will continue our mission to raise funds to provide programs that enhance the curriculum and your child's school experience. The EEF will keep their focus on fundraising in order to offer students access to full time enrichment teachers including Science and Art.

Please use the **QR codes** or **envelopes** in this packet to **donate** to our amazing organizations! (Please return envelopes to your child's teacher)

We are busy brainstorming new innovative ways to accomplish our goals. And while we have many items to share with you, for now we simply want to remind you about a few ways to stay connected: **Membership Toolkit**, capripta.org and the weekly **CAPRI BREEZE Electronic Newsletter**.

In the meantime, we wish you all well and look forward to serving our school community in 2021/2022.
